Proceeds raised under the SPP will be used to fund an initial drilling program at the Lennons Find project in WA, for exploration activities at the Mulga Rocks project and for general working capital purposes.

The SPP opens **on 28 August 2024** and is expected to remain open **until 5pm (WST) on 19 September 2024 (Closing Date)**. An indicative timetable for the SPP is provided overleaf.

The SPP is being made on the terms and conditions of this letter, the Booklet and the personalised application form provided to Eligible Shareholders (**Term and Conditions**). DETAILS OF SHARE PURCHASE PLAN

1. Overview

The Company is providing Eligible Shareholders the opportunity to participate in the SPP as announced to the ASX on 27 August 2024.

Eligible Shareholders are defined in Section 3 of this Booklet.

Under the SPP, Eligible Shareholders have the opportunity to purchase between \$1,000 and \$30,000 worth of ordinary shares in the Company, in the increments noted in Section 5 of this Booklet, irrespective of the size of their shareholding, without incurring brokerage or transaction costs.

The Offer opens on 28 August 2024 and is intended to close at 5pm (WST) on 19 September 2024 (unless varied). Refer to the indicative timetable in Section 10 of this Booklet.

The Company is seeking to raise approximately \$600,000 under the SPP through the issue of approximately 25,000,000 Shares at an issue price of \$0.024. Proceeds raised under the SPP will be used to complete an initial drilling program at the Lennons Find project in WA, for exploration activities at the Mulga Rocks project east of Kalgoorlie and for general working capital purposes.

The SPP is not underwritten.

2. Offer

The Company offers each Eligible Shareholder (as defined in Section 3 of this Booklet) the opportunity to purchase between \$1,000 and \$30,000 worth of Shares in the Company under the SPP, in the increments noted in Section 5 of this Booklet, at an issue price of \$0.024 per Share (**Issue Price**) subject to and in accordance with the terms and conditions outlined below (**Offer**).

The Offer is non-renounceable. This means Eligible Shareholders cannot transfer their entitlement to purchase Shares under the SPP to another person.

Participation in the SPP is at the option of each Eligible Shareholder.

The Offer is made in accordance with the terms and conditions of this Booklet, the letter to Shareholders in relation to the SPP and personalised application form provided to Eligible Shareholders (**Term and Conditions**).

3. Eligible Shareholders

You are an “**Eligible Shareholder**” who is eligible to participate in the SPP if you:

- (a) were registered on the Company’s share register (**Register**) as a holder of one or more Shares at 4pm (WST) on 26 August 2024 (**Record Date**); and
- (b) have a registered address in either Australia or New Zealand.

For the purposes of determining Eligible Shareholders, joint holders of Shares are taken to be a single registered holder of Shares.

The Offer is not made to holders of Shares with a registered address outside of Australia and New Zealand.

4. Issue Price

Shares under the SPP are being issued at the Issue Price (being \$0.024).

The Issue Price represents an 8% discount to the closing price of Shares of \$0.026 on 26 August 2024, being the last trading day immediately prior to the announcement of the SPP.

The Issue Price also represents an 7% discount to the volume weighted average price of Shares traded during the five ASX trading days up to and including 26 August 2024 (the last trading day immediately prior to the announcement of the SPP), being \$0.0258.

The market price of Shares may rise and fall between the date of the Offer and the date that any Shares are issued under the Offer. As a result, price that you pay for Shares pursuant to the SPP may be either higher or lower than the market price of Shares at the date of the SPP or at the date you receive Shares under the SPP. There can be no certainty that Shares will trade at or above the Issue Price following completion of the SPP.

The market price of Shares can be obtained from the ASX's website by searching for "OMX" in the prices search screen.

5. Applications for Shares

Eligible Shareholders are entitled to apply for a parcel of Shares for a minimum of \$1,000 up to \$30,000, in the increments noted below:

Increment	Value	Number of Shares
A	\$1,000	41,666
B	\$2,000	83,333
C	\$5,000	208,333
D	\$10,000	416,666
E	\$20,000	833,333
F	\$30,000	1,250,000

Eligible Shareholders who receive more than one offer under the SPP (for example, because they hold Shares in more than one capacity or in different registered holdings) may apply on different application forms for Shares but may not apply for Shares with an aggregate value of more than \$30,000.

In accordance with ASX Listing Rule 7.2 (Exception 5), the total number of Shares that are able to be issued by the Company under the SPP must not exceed 30% of the number of Shares currently on issue.

Eligible Shareholders who wish to apply for Shares under the SPP can apply by following the instructions on their personalised application form which is accessible at <https://investor.automic.com.au>.

Payments may be made for Shares by BPAY® payment or electronic funds transfer (EFT), details of which are set out in the personalised application form.

The Company and its officers and agents may accept or reject your application for Shares in whole or in part (including by rounding down to the nearest valid application amount) at their absolute discretion including, without limitation, if:

- (a) your application does not comply with the Terms and Conditions;
- (b) it appears you are not an Eligible Shareholder or, if you are a Custodian, it appears that you are not applying on behalf of Eligible Shareholders;
- (c) your BPAY® payment or electronic funds transfer (EFT) is not received by the Company's share registry by the Closing Date;

- (d) if paying by EFT, your application form is incomplete or incorrectly completed or is otherwise determined by the Company to be invalid;
- (e) your BPAY® payment or EFT is incomplete or invalid;
- (f) the Company believes on reasonable grounds that you are applying to purchase more than \$30,000 worth of Shares in aggregate (including as a result of Shares you hold directly, jointly or through a Custodian or nominee arrangement) or, if you are a Custodian, it appears on reasonable grounds that you are applying on behalf of a beneficiary for more than \$30,000 worth of Shares in aggregate or your application is not in the above valid application amounts and/or from a minimum of \$1,000 up to \$30,000;
- (g) payment of the application monies is not submitted in Australian dollars; or
- (h) the amount of your BPAY® payment or EFT is not equal to the amount of your application, in which event the Company will, in its absolute discretion:
 - (i) reject your application and refund in full your application monies and not allot any Shares to you; or
 - (ii) allot to you the number of Shares that would have been allotted had you applied for the highest designated amount that is less than the amount of your payment and refund to you the excess of your application monies.

If the Offer is oversubscribed, the Board reserves the right to reject or scale back any application in whole or part in its absolute discretion. When determining the amount if any by which to scale back an application, the Company will take into account a number of factors including, without limitation, the size of the applicant's shareholding and the extent to which Eligible Shareholders have sold or bought Shares after the Record Date.

Regardless of when during the SPP offer period you submit your application and funds, all valid applications will be deemed to be made on the Closing Date (unless the Board, in its absolute discretion, determines to close the SPP early or to extend the Closing Date of the SPP). You will not be able to withdraw or revoke your application monies once you have submitted your application and paid your application monies or change the amount of your application, except as allowed by law.

If you are entitled to a refund of all or any of your application monies, the refund will be paid to you, without interest, as soon as practicable by direct credit to your nominated account (as recorded with the Company's share registry).

6. Participation Costs

You must pay the Issue Price per Share and any fees or charges incurred by you in paying the Issue Price, for example bank fees or fees of professional advisers. No brokerage, commissions or other transaction costs are payable by Eligible Shareholders under the Offer.

7. Share Rights and Obligations

The rights and obligations of the Shares issued under the SPP are contained in the constitution of the Company, which is available for inspection at the registered office of the Company during the Offer period.

All Shares issued under the SPP will rank equally with existing fully paid ordinary shares of the Company from the date of issue and carry the same voting rights, dividend rights and other entitlements as existing Shares.

8. Issue of Shares

Subject to the Terms and Conditions, the Shares will be issued as soon as possible after the Closing Date of the Offer.

The Company will apply for the issued Shares to be quoted on the ASX within the relevant period specified in the ASX Listing Rules and otherwise in accordance with the Indicative Timetable below.

Shareholding statements or CHESS notifications will be issued in respect of all Shares issued under the SPP. If you trade any Shares before you receive your holding statement then you do so at your own risk.

9. Shortfall

If less than \$600,000 in valid applications are received for the SPP, the shortfall placement of Shares may be done at the Company's discretion subject to compliance with legal requirements including the ASX Listing Rules.

12. Risks

The market price of Shares in the Company may change from time to time. Accordingly, there is no relationship between the Issue Price of Shares under the SPP and the market price of Shares in the Company moving forward.

Shareholders should be aware that there is a risk that the market price of Shares may change between the date of this Offer and the date when new Shares are issued under the SPP. The value of Shares received may rise or fall accordingly.

Owing securities in the Company is considered a highly speculative form of investment and the future price of the Company's securities, including Shares, can rise or fall.

Shareholders should note the Offer is not made under a prospectus or other disclosure document and does not require the type of disclosure required under the Corporations Act. Shareholders must rely on their own knowledge of the Company and publicly available information on the Company, such as that available on the Company's website and the website of the ASX.

The SPP does not take into account individual investment objectives, financial situation or the particular needs of any Eligible Shareholder. Before deciding whether to accept the Offer, Eligible Shareholders should refer to the current market price of Shares of the Company and consult your financial or other professional advisers.

13. Privacy Statements

By applying for Shares under the SPP in accordance with your personalised application form, you will be providing personal information to the Company. The *Privacy Act 1988* (Cth) governs the use of a person's personal information and sets out principles governing the ways in which organisations should treat personal information.

The Company collects information about each applicant for the purposes of evaluating and processing applications and, if the application is successful, to administer the applicant's security holding in the Company.

If the Company is obligated to do so by law, investors' personal information will be passed onto other parties strictly in accordance with legal requirements. Once personal information is no longer needed for the Company's records, the Company will destroy or de-identify it.

Each applicant agrees that the Company may use the information provided in an application form for the purposes set out in this privacy disclosure statement and may disclose it for those purposes to the share registry, the Company's related bodies corporate, agents, contracts and third party service providers, including mailing houses and professional advisers, and to ASX and regulatory authorities.

Except as permitted by law, Shareholders are able to access, upon their request, their personal information held by the Company.

14. Regulatory Provisions

The SPP is established pursuant to the Corporations Act, as amended by ASIC Instrument 2019/547, and the ASX Listing Rules.

Compliance with ASIC Instrument 2019/547 exempts the Company from having to issue a disclosure document (for example, a prospectus) for the Offer.

The issue of Shares under the Offer falls within ASX Listing Rule 7.2 (Exception 5) and, accordingly, Shares issued under the SPP will not count towards the Company's placement capacity under ASX Listing Rules 7.1 and 7.1A.

Directors of the Company who qualify as Eligible Shareholders may participate in the Offer on the same terms and conditions as all other Eligible Shareholder and their participation is not subject to shareholder approval.

Due to foreign securities laws, it is not practical for shareholders resident in any country other than Australia and New Zealand to be offered the opportunity to participate in the SPP.

The Offer is being made to New Zealand shareholders in reliance on the Financial Markets Conduct (Incidental Offers) Exemption Notice 2021.
